	<ul> <li>There has been an extra \$110,000 that was part of the extra funding that went to the mating disruption plot work. It was then absorbed out of the contingency fund – which leaves currently \$108,574 in the fund.</li> </ul>
	<ul> <li>Planning within the STS Foundation stayed based on \$7.0 million so not a lot of cuts had to be made.</li> </ul>
